Ordinance No. 1077

An Ordinance Establishing Regulations Governing the Registration, Maintenance, Security and Monitoring of Vacant Properties by their Owners

Whereas, vacant structures and properties, if left unattended, are likely to fall into disrepair, create public nuisance, drain City resources, contribute to the decrease in value of surrounding properties, precipitate disinvestment by neighboring owners, provide locations for illegal activities and undermine the aesthetic character of the City; and

Whereas, structures and properties that remain vacant over an extended period of time are detrimental to the public health, safety and welfare and can pose an extraordinary danger to police officers, firefighters and City officials when entering the premises in response to emergencies or in the normal course of their duties; and

Whereas; vacant structures and properties often are owned or controlled by individuals or other entities, including court appointed receivers who should be responsible for property preservation; and

Whereas; the registration of these vacant structures and properties and the implementation of maintenance and monitoring plans will help encourage property owners and those responsible to properly maintain the structure and property, therefore preventing these properties from becoming a burden to the residents and tax payers of the City and provide an impetus for returning these properties to their intended use and to the tax rolls; and

Whereas; the City of Farmer City is empowered to enact legislation to define, prohibit and abate public nuisances; and

Whereas; the City Council of the City has determined that the abatement of nuisances caused by vacant structures and properties, the repair and rehabilitation of vacant structures and properties with a subsequent occupancy is in the best interests of the citizens of the City, and further, the City Council desires to enact an ordinance providing for the declaration of vacant structures and properties, whether boarded up or not, as public nuisances and providing for their abatement is a means of maintaining sanitation, health and safety standards, preventing illegal activities, avoiding fire and eliminating or minimizing the detrimental effect such properties have on the economic wellbeing of the City.

NOW, Therefore, be it ordained by the Mayor and City Council of the City of Farmer City as follows, to-wit:

Section 1. Chapter 97, entitled "Registration and Maintenance of Vacant Structures and Properties", of the Farmer City Code, is hereby added as set forth below:

At the City's sole discretion, renewal may be had upon demonstrated need for a maximum of two 6-month periods, for an aggregate maximum of eighteen (18) months total vacancy registration. Renewed permits shall be subject to all conditions and obligations imposed by this chapter on the initial certificate, including the payment of a \$50 fee at each renewal. It shall be the responsibility of the registered owner to file an amended registration within ten (10) days of any changes contained in the initial application, including occupancy or transfer. During the period of registration, the owner shall provide access to the City to conduct inspections of the structure, both interior and exterior if deemed necessary by the City, and, following reasonable notice, to determine compliance with this ordinance and any other relevant codes and ordinances of the City.

(b) The owner of a vacant structure shall comply with all regulations of the City. To this end, the owner shall apply for all applicable building, fire prevention and zoning permits necessary to bring the structure into compliance within ten (10) days of obtaining a Vacant Structure Registration Certificate.

(c) The owner of a vacant structure shall, within ten (10) days of receipt of the Vacant Structure Registration Certificate, complete the removal of all:

(1) combustible materials from the structure in compliance with the applicable fire prevention regulations;

(d) The owner of a vacant structure shall immediately lock, barricade or secure all doors, windows and other openings in the structure to prevent entry by unauthorized persons, in accordance with the vacant structure maintenance standards of this chapter. The owner shall, as needed, provide additional security in the event of increased danger to human life or the public welfare, as determined by the City.

(e) The obligations of the owner of a vacant structure are continuing obligations which are effective throughout the time that the structure is vacant as that term is defined in this chapter.

§97.05 -- VACANT STRUCTURE REGISTRATION CERTIFICATE

(a) Application by the owner of a vacant structure for a vacant structure certificate shall be made on a form provided by the City. The application shall include a "statement of intent" which will set forth information as to:

1) the expected period of vacancy (including the date of initial vacancy);

2) the plan for regular maintenance during the vacancy to comply with the vacant structure maintenance standards of this subsection and all of the applicable property maintenance, building and nuisance codes of the City;

3) a plan and time line for the lawful occupancy, rehabilitation, removal or demolition of the structure;

4) measures to be taken to ensure that the structure will be kept weather tight and secure from trespassers and that it will be safe for entry by police officers, firefighters and code or building inspectors in time of exigent circumstances or emergency as well as at times of reasonable inspection as provided in Section 97.06 below;

5) measures to be taken to assure that the premises remain free from nuisance conditions and in good order in conformance with the vacant structure maintenance standards; and

§97.08 -- REQUIRED LIABILITY INSURANCE

It shall be the responsibility of the owner or owner's agent to maintain liability insurance on all vacant and registered properties under their control. Proof of evidence of such insurance shall be filed with the City. Minimum insurance amounts shall be determined by the City on an individual basis.

§97.09 -- AFFIXING CONTACT/EMERGENCY INFORMATION TO

VACANT PROPERTY

The owner or owner' agent shall affix to the vacant structure a copy of the Vacant Structure Registration Certificate in a front window so that it is able to be read by law enforcement or City personnel as needed.

§97.10 -- ENFORCEMENT AND PENALTIES

(a) Any person found to be in violation of any provision of this chapter shall be subject to a minimum fine of \$150, not to exceed \$750. Each day that said violation continues shall be considered a new and separate violation. Prosecution under this section is a remedy cumulative to any and all other remedies at law and equity, including but not limited to the City's remedies under 65 ILCS 5/11-13-15.

(b) All fees, costs or charges assessed or incurred by the City pursuant to this chapter shall be a lien upon the real property. The lien shall be superior to all subsequent liens and encumbrances. The City Attorney shall file a notice of lien, within two (2) years after such cost and expense is incurred, in the office of the DeWitt County Recorder of Deeds. The lien may be enforced by proceeding to foreclose, as in case of mortgages or mechanic's liens.

(c) At the expiration of eighteen (18) months from the original issuance of the Vacant Structure Registration Certificate, the structure must be reoccupied, removed or demolished. Any structure which is vacant beyond the eighteen (18) month maximum registration period shall be considered abandoned and a public nuisance and the City may pursue whatever legal action is afforded to it by law for the removal and/or abatement of public nuisance.

§97.11 -- REQUEST FOR WAIVER

(a) Any owner of a vacant residential property of one to three units, who is a natural person with insufficient income or resources to fulfill all of the obligations imposed herein, may petition the City for a waiver of the annual fee, a reduction of the minimum amount of liability insurance, and/or a waiver of some or all of the property rehabilitation requirements (hereinafter "financial requirements") under this ordinance for a period of time not to exceed twelve (12) months. Application for a waiver of financial requirements shall be in writing on forms provided by the City. The decision of the City Manager, to be made within fourteen (14) days of receiving the petition, shall be made in writing and shall forthwith be mailed or delivered to the petitioner. An appeal of the decision may be made to the City Council, in writing, within fourteen (14) days of the mailing or delivery of the decision. Individuals who are granted a twelve (12) month waiver under this Section are still obligated to keep the registered property secure and safe, and the exterior property areas free from debris, with grass regularly mowed.

(b) A request for a waiver from the provisions of Section 97.04 for good cause as set forth in the waiver request, shall be made by the owner to the City Manager, in writing. The waiver request shall be reviewed by the City Manager within thirty (30) days of receipt and the decision of the City Manager shall be in writing and mailed or delivered to the petitioner.

Section 3. Effective Date. The provisions of this Ordinance shall become effective immediately following its passage, approval and publication as required by law.

Section 4. Conflict. All other ordinances or parts of ordinances which are in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby superseded.
