APPENDIX A - SALARY SCHEDULE 30

APPENDIX B - DUES AUTHORIZATION FORM 31

ARTICLE 1 – PREAMBLE

This Agreement entered into by the City of Farmer City, Illinois (hereinafter referred to as the Employer) and the Illinois Fraternal Order of Police Labor Council (hereinafter referred to as the Labor Council).

ARTICLE 2 – RECOGNITION

The Employer hereby recognizes the Labor Council as the sole and exclusive collective bargaining representative for the purposes of collective bargaining on any and all matters relating to wages, hours and other terms and conditions of employment of all members of the bargaining unit as defined by executive Director's Order and Certification of Representative: case number S-RC-10-190. The unit includes all persons employed as full-time sworn officers by the City of Farmer City in its Police Department, in the following ranks or titles: Sergeant and Patrolman. The following employees are excluded: The Chief of Police and all other all part-time employees, confidential, managerial and supervisory employees as defined in the Act, and all other employees of the City of Farmer City.

ARTICLE 3 – DUES DEDUCTION

Section 3.1 - Dues Deduction

Upon receipt of a written and signed authorization form from an employee, the Employer shall deduct the amount of Labor Council dues set forth in such form, and any authorized increases therein, and shall remit such deductions by the tenth (10th) day of the month following the month in which the deductions are made, including a listing of names for whom deductions were made, to the Illinois Fraternal Order of Police Labor Council at the address designated by the Labor Council in accordance with the laws of the State of Illinois. The Labor Council shall advise the Employer of any increase in dues, in writing, at least thirty (30) days prior to its effective date.

Section 3.2 – Indemnification

The Labor Council agrees and shall indemnify the Employer and hold it harmless against any and all claims, demands, judgments or other forms of liability and for all legal fees that may arise from or be in any way connected with any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article. In the event of any legal action brought against the Employer in any court, agency, or other forum arising from any action taken or not taken by the Employer to comply with the provisions of this article, the Labor Council agrees to defend such action, at its own expense through its own counsel provided that the Employer gives prompt notice of any such action to the Labor Council, permits the Labor Council to intervene, and gives all reasonable cooperation to the Labor Council and its counsel in securing and giving evidence and obtaining relevant information. It being understood that the Labor Council shall reimburse the Employer for any reasonable cost it may incur in so doing.

ARTICLE 4 – MANAGEMENT RIGHTS

It is expressly understood and agreed that all functions, rights, powers or authority of the administration of the Employer which are not specifically limited by express language of this

Agreement are retained by the Employer, provided, however, that no such rights shall be exercised so as to violate any of the specific provisions of this Agreement.

ARTICLE 5 – NO STRIKE/ NO LOCKOUT

Section 5.1 – No Strike/No Lockout Commitment

Neither the Labor Council nor any employee will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage or the concerted interference with the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. Neither the Labor Council nor any employee shall refuse to cross any picket line, by whoever established.

The Employer agrees that during the term of this agreement, it will not, as a result of a labor dispute with the Labor Council, lockout, or prevent any employee from performing the employee's regularly assigned duties.

Section 5.2 – Resumption of Operations

In the event of action prohibited by Section 5.1 above, the Labor Council shall disavow such action and request the employees to return to work, and shall use its best efforts to achieve a prompt resumption of normal operations. The Labor Council, including its officials and agents, shall not be liable for any damages, direct or indirect, upon complying with the requirements of Section 5.2.

Section 5.3 – Labor Council Liability

Upon the failure of the Labor Council to comply with the provisions of Section 5.2 above, any agent or official of the Labor Council who is an employee covered by this Agreement may be subject to the provisions of Section 5.4 below.

Section 5.4 – Discipline of Strikers

Any employee who violates the provisions of Section 5.1 of this Article shall be subject to disciplinary action. Any action taken by the Employer against any employee who participates in action prohibited by Section 5.1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure, except that the issue of whether an employee in fact participated in a prohibited action shall be subject to the grievance and arbitration procedure.

ARTICLE 6 – EMPLOYEE RIGHTS

Section 6.1 – Suspension, Dismissal or Loss of Pay

- a) The Employer shall comply with the provisions of the Uniform Peace Officer's Disciplinary Act (50 ILCS 725/1 et seq.)
- b) A bargaining unit member may be relieved of duty during the pendency of any investigation or inquiry by the bargaining unit member. Any member so relieved of duty shall receive all ordinary pay and benefits until suspended or discharged.
- c) Any suspension without pay or discharge shall be in accordance with law and Section 8.1 of this Agreement. A probationary bargaining unit member may be suspended

without pay or discharged in the discretion of the Employer. A post probationary bargaining unit member may be suspended without pay or discharged but such suspension without pay or discharge shall be subject to the grievance procedure.

Section 6.2 – Disciplinary Investigations

Before conducting an investigatory interview which may reasonably be expected to result in disciplinary action against an employee being questioned, that employee may request that a Labor Council representative be present.

If the employee requests a Labor Council representative, the supervisor shall either suspend the investigatory interview until a Labor Council representative can be present or advise the employee that it will not proceed with the interview unless the employee is willing to enter the interview unaccompanied by a representative (in which case the Employer may act on the basis of information obtained from other sources).

This Section does not apply to such run-of-the-mill conversations as, for example, the giving of instructions; training; employee performance evaluations; routine requests for information related to the performance of duties or needed corrections of work techniques. Nor does this Section apply to meetings at which discipline is simply administered.

All communications under this Section shall be conducted as to not cause embarrassment to the officer.

Section 6.3 – Pre-Disciplinary: Meetings

For discipline other than oral or written reprimands, prior to notifying the non-probationary employee of the contemplated discipline to be imposed, the Employer shall meet with the non-probationary employee involved, inform the non-probationary employee of the basis for such contemplated discipline and give the non-probationary employee an opportunity to respond. Upon request, the non-probationary employee may be represented by a Labor Council representative.

Section 6.4 – Inspection of Files

An employee's personnel file, to include disciplinary history, if one is maintained by the Employer, shall be open and available for inspection by the affected employee during regular business hours, upon reasonable notice and request. The Employer shall have the right to have a representative of the Employer present during such review, and the employee may have a representative if he/she so desires. Not more than once annually, each employee may, upon request, have one (1) copy, without charge, of each item contained within his/her personnel file.

Section 6.5 – Personal Disclosure

No bargaining unit member shall be required or requested to disclose any item of his/her property, income, assets, source of income, debts or personal or domestic expenditures, (including those of any member of his/her family or household) unless such information is reasonably necessary in investigating a violation of the law or Department rules and regulations.

Section 6.6 – Right to Bring Suit

The Employer shall not adopt any ordinance and the Police Department shall not adopt any regulations which prohibit the right of a bargaining unit member to bring suit arising out of his/her duties as a law enforcement officer.

Section 6.7 – Release of Information to the Media

No photograph, video recording or audio recording of a bargaining unit member under investigation shall be made available to the media prior to a conviction for a criminal offense or prior to a decision being rendered. However, the Employer shall not be precluded from complying with the Illinois Freedom of Information Act.

Section 6.8 – Surveillance of Employees

If the City is in possession or control of relevant surveillance (video, photographic, audio, GPS, or other recorded surveillance) of an employee, prior to the employee submitting to Interrogation, as defined in Section 2(c) of the Uniform Peace Officers' Disciplinary Act (50 ILCS 725/2(c)), regarding the subject matter observed in the surveillance, the City will give the employee notice of the existence of said surveillance material(s). The City's notice will be included along with other information required in the written notice required by the Uniform Peace Officers' Disciplinary Act. The City will allow the employee and Union a reasonable opportunity to observe the surveillance materials prior to the employee's Interrogation. An admission or confession obtained from an Interrogation where such notice and opportunity to view were not provided is inadmissible in a disciplinary hearing; the admissibility of the actual surveillance evidence will be left to the trier of fact.

ARTICLE 7 – GRIEVANCE AND ARBITRATION

Section 7.1 – Discipline

- a) No non-probationary bargaining unit member shall be disciplined without just cause. Discipline shall include oral reprimand, written reprimand, and suspension without pay, demotion or discharge.
- b) In the case of a probationary employee, if his/her job performance is judged unsatisfactory by Employer either during or at the conclusion of the employee's probationary period, the Employer may, at its sole discretion, dismiss the probationary employee.
- c) During the pendency of criminal investigations of alleged wrongdoing by members of the bargaining unit, the Employer may place an employee on unpaid leave. The unpaid leave will not exceed seven (7) calendar days. If the investigation identifies wrongdoing by an employee on an unpaid leave, the unpaid leave will be a part of the discipline imposed on the employee and the employee will be so notified. Otherwise, the employee will be paid for time off pending the investigation.

Section 7.2 – Definition of a Grievance

A grievance is defined as any unresolved dispute between the Employer and the Labor Council or any bargaining unit member regarding the discipline of a post-probationary bargaining unit member, or other application, meaning or interpretation of this Agreement. Oral Warnings shall not be grieved.

Section 7.3 – Dispute Resolution

In the interest of resolving disputes at the earliest possible time, it is agreed that an attempt to resolve a grievance shall be made between the employee and the Chief of Police. In the event of a grievance, the employee shall first complete his assigned work task and grieve later. If the employee reasonable believes that the assignment endangers his safety, he may advise the Chief of Police.

Section 7.4 – Representation During the Grievance Procedure

Grievances may be processed by the Labor Council on behalf of an employee or on behalf of a group of employees. The employee(s) is entitled to Labor Council representation at each and every formal step of the grievance procedure upon his request. Grievances may be filed on behalf of two or more employees only if the same facts, issues and requested remedy apply to all employees in the group.

Section 7.5 – Subject Matter

Only one subject matter shall be covered in any one grievance. A grievance shall contain a statement of the grievant's position, the Article, and section of the Agreement allegedly violated, the date of the alleged violation, the relief sought and the date. The grievance shall be filed on the form attached to this Agreement as "Appendix C".

Section 7.6 – Time Limitations

Grievances may be withdrawn at any step of the grievance procedure without precedent. Grievances not appealed within the designated time limits will be treated as settled grievances.

The Employer's failure to respond within the time limits shall not result in a finding in favor of the grievant, but shall automatically advance the grievance to the next step, except Step 2. Time limits may be extended by mutual agreement.

Section 7.7 – Grievance Processing

No employee or Union representative shall leave his work assignment to investigate, file or process grievances without first making mutual arrangements with his supervisor, and such mutual agreements shall not be denied unreasonably.

Section 7.8 – Steps in Procedure

- a) STEP 1: The grievance shall be reduced to writing and presented to the Chief of Police within ten (10) business days (Monday through Friday, holidays excluded) of its occurrence, except the number of days to present the grievance shall be extended for the duration of any leave of the employee permitted by this agreement, or absence of the Chief of Police. Failure to timely file the grievance shall be an absolute bar to further processing the grievance. The Chief will schedule a meeting with the employee and the Local Union Representative within twenty (20) business days after receipt of the grievance. The Chief shall then render a decision within fifteen (15) business days of the meeting.
- b) STEP 2: If the disposition of the settlement in Step 1 is not satisfactory, or the time limits expire without the assurance of a written reply, the Labor Council may submit the grievance to final and binding arbitration by notifying the Employer in writing. In

such event, a list of arbitrators from the Federal Mediation and Conciliation Service shall jointly be requested by the parties. Nothing in this Article shall prohibit the Employer and Labor Council from agreeing upon and using any other means or person to act as arbitrator as established in this Article, but in either case, the decision and scope of authority shall be as set forth in this Article.

Section 7.9 – Selection of an Arbitrator

When a list of arbitrator's names is received, either party may reject an entire panel. The parties shall alternatively strike individual names from the list, with the order of striking determined by a coin toss. The last remaining name shall be the arbitrator. Nothing in the Article shall preclude the parties from agreeing to use expedited arbitration procedures.

Section 7.10 – Powers and Authority of the Arbitrator

The Employer or Labor Council shall have the right to request the arbitrator to require the presence of witnesses and/or documents.

The arbitrator, in his opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. His authority shall be strictly limited to deciding only the issues presented to him in writing by the Employer and the Labor Council and his decision must be based only upon his interpretation of the meaning or application of the express relevant language of the Agreement.

Section 7.11 – Costs

- a) Each party shall bear the full costs for its representation in the grievance procedure. Additionally, each party shall bear the expense of its own witnesses.
- b) If only one party requests the presence of a court reporter for the proceedings, the party requesting the court reporter shall bear all costs of that court reporter's appearance. If only one party requests a transcript, that party shall bear all costs of that transcript. If the party that did not request the presence of a court reporter requests a transcript, that party shall bear one-half the cost of the court reporter's appearance fee and one-half the costs of preparing the transcript. If the arbitrator requests a transcript or the presence of a reporter, then the parties shall bear one half the costs of the court reporter's appearance fee and the costs of transcript production.
- c) The expenses and fees of arbitration and the cost of the hearing shall be shared equally by the parties.

ARTICLE 8 – LAYOFF

Section 8.1 – Layoff Order

Layoff shall be only for lack of work or lack of funds. In the event of a layoff, police officers will be laid off in the reverse order of their seniority and rehired by seniority.

Section 8.2 – Notice

Insofar as possible, the Employer will give at least thirty (30) calendar days' notice to the employee prior to the effective date of any layoff of that employee. The Employer will be obligated to notify the Labor Council of its intention and the reason for such action. If the Labor Council

should so desire, it shall have the right to meet with the Employer within ten (10) business days to discuss the proposed layoff.

Section 8.3 – Recall Period

Employees who are laid off shall be placed on a recall list for a period of twenty-four (24) months. Should a recall occur, employees who are still on the list shall be recalled, provided they are then qualified to perform work for the position to which they are being recalled. The laid-off employee shall have ten (10) calendar days from the date of mailing, in accordance with Section 8.4 to accept the position offered. If the laid-off employee does not accept the position, the right of recall shall terminate.

Section 8.4 – Recall Rights

If an employee is recalled to a job classification of lower rank or rating, he shall have the right to return to the job classification he held prior to the layoff in the event it subsequently becomes available. Should an employee be recalled to a lower rated job classification, the employee shall have a right to refuse the recall without adversely affecting his status of the recall list. The Employer will hire no new employees into the bargaining unit as long as employee remain on the recall list who are qualified and willing to be recalled to the respective job classification. Employees eligible for recall shall be given ten (10) calendar days' notice sent by certified or registered mail to the last known address provided the Employer by the employee.

ARTICLE 9 – HOURS OF WORK

Section 9.1 – Shift, Workday and Workweek

- a) Normally scheduled shifts shall be twelve consecutive hours of work.
- b) The workday shall be fixed and regular recurring period of twenty-four (24) consecutive hours.
- c) The work shall be fixed and a regularly recurring period of fourteen (14) days.
- d) Shifts shall follow a standard 2/2/3 (Panama) 14-day pattern, with scheduled work on seven days of the 14 day work rotation.
- e) Police Department personnel will be paid or compensated for any and all time spent at work.
- f) The Labor Council and the Employer confirm their understanding that due to scheduling issues that may arise, there may be occasions in which an employee does not receive two consecutive days off. Those scheduling conditions are more fully set forth in Section 9.2 of this Article.
- g) Should it become necessary to establish a work schedule departing from the current regular workday or work week, change the current shifts, schedule and/or days off of the bargaining unit members, the Employer will, absent emergency, give at least fourteen (14) calendar days' notice of any such change(s) to all bargaining unit

members affected by the change. Upon request of the Labor Council within five (5) calendar days of such notice, the City agrees to meet with the Labor Council to bargain the impact of such change, if any, upon the bargaining unit members affected by such change(s).

The School Resource Officer(s) shall remain on a twelve (12) hour schedule. A Sergeant may be assigned at the Chief of Police's discretion to an afternoon shift that overlaps the patrol shifts.

Section 9.2 – Selection of Shifts

- a) Annually, on or about January 15, employees with the greater length of service with the Department will be permitted to generally select the work shift the employee prefers from "available shifts" as defined below..
