HAPPY 250<sup>TH</sup> UNITED  
STATES OF AMERICA!

All city crews have done a great job decorating and making sure the town was ready to show off for all the July 4<sup>th</sup> celebrations

# UPDATES

- Sewer lining project on Washington is completed
- Repaving is anticipated to start about 1-2 weeks after sewer is complete – weather has caused some delays, but contractors are working to catch-up – weather will dictate when reseeding happens
- Completed the EPA Consumer Confidence Report and verified it was received
- Contract signing for Plum is happening and working on scheduling pre-construction meeting
- Meeting with IMEA for electric portfolio
- Meeting with Donohue Engineer for wastewater

## DRAINAGE

A primary drainage issue from the storm that persisted was at John & Depot – crews took a water pump over to help with drainage

The problem seems to have escalated from a repair to finding a more permanent solution – staff is working on potential solutions for the council's consideration
